## PROFILE

Full stack developer who uses his problem-solving and love of logic in the service of coding. Particularly loves back-end web development. Earned certificate in Full Stack Development from Rutgers University Bootcamp. Fast learner who quickly adapt to new situations and is passionate about building apps. Previous experience as a project manager made me proficient at teamwork and planning.

---

- Role: Sole author
- Tools: HTML, CSS, JavaScript, jQuery, API, Bootstrap.

---

## OTHER PROFESSIONAL EXPERIENCE

### 07/2013- PROJECT MANAGER

07/2020 MacAndrews & Forbes Incorporated, New York, NY

As part of a multidisciplinary team including executive, travel, and security agents, I organized seminars in the USA, the Caribbean, and Europe. I managed trainees and workers during the trip. About 15 trips per year.

- Planned travel itinerary, accommodations, and programs at destination
- Successfully managed the budget and found cost-efficient solutions

Quick decision-making and creative problem-solving in unforeseen situations, such as cultural or language differences with the local staff

### 09/2017- COORDINATING MANAGER

07/2020 Rebbe's Partnership Foundation, New York, NY

I was responsible to coordinate between departments of a foundation supporting social programs. I developed a tool to facilitate communication between different teams and oversaw the flow process.

- Managed the coordination between applicants, the foundation committee, and accounting services
- Collaborated with the technical team hosting the website to create an adequate platform and resolve technical issues of online applications
- Prepared quarterly, yearly, and forecast reports

---

## LANGUAGES

English (fluent), French (native), Hebrew (fluent)

---

## EDUCATION

04/2021 Full Stack Web Development Certificate – Rutgers University Coding Bootcamp, Newark, NJ

09/2020 GED – New Jersey

2011-2012 Rabbinical Ordination - Yeshiva Tomchei Tmimim Lubavitz, Brooklyn, NY
